FIG. 45

FIG. 46 is a perspective view of a device 100 in a closed position. The device 100 includes a first member 110a and a second member 122a. The first member 110a has a first surface 117 and a second surface 124c. The second member 122a has a first surface 125c. The device 100 is shown in a closed position, with the first member 110a and the second member 122a overlapping. The device 100 is shown in a perspective view, with the first member 110a and the second member 122a overlapping. The device 100 is shown in a perspective view, with the first member 110a and the second member 122a overlapping.
